

## How to Change Certemy Email Address

### Step 1: Open your profile page

### Step 2: Click the "Change primary email" link

**Step 3: Update your email address and click SUBMIT to save your change.**

The image shows a screenshot of a web application interface for updating a primary email address. The form is titled "Change primary email" and includes the following fields and instructions:

- Current primary email address:** ryanray.medina@certerny.com
- New primary email address\*:** ryanray.medina@gmail.com
- Password\*:** [Redacted]

Additional text on the form includes: "The email address set as your 'primary email' will be used for logging in and for any notifications sent from the platform." and "A confirmation message will be sent to this email. Please follow the instructions in the message." A blue circle highlights the "SUBMIT" button at the bottom right of the form.
