

American College of Healthcare Architects
SELECTED EXAM RESOURCE LIST

The list provided below is not mandatory reading nor is it intended to be inclusive of all materials that may be useful to you in preparing for the examination. These references do not necessarily include answers to all questions on the exam. Rather, it is intended to provide a guide to the nature of the material covered by the exam.

NOTE: For additional and more general Healthcare Information and Knowledge, that is not necessarily specific to the EXAM, see the ACHA Selected Resource List
